

Hands On with ATTAINS

September 20, 2023

What is ATTAINS

- Assessment and TMDL Tracking and Implementation System
- Stores the assessment decisions you make
- Does not make the assessment for you
- Replaces portions of your TAR/WQAR

ie to the Assessment Total Maximum Daily Load (TMDL) Tracking and Implementation System (ATTAINS).
erritory, Tribal and EPA staff enter water quality assessment decisions in ATTAINS.

he **Production ATTAINS** environment. The final data from Production **ATTAINS** are published in How's My
ay and through ATTAINS web services. For more information, visit <http://www.epa.gov/waterdata/attains>.
